

MASTER'S AND DOCTORATE PROGRAM IN CHEMISTRY – UEL

NORMATIVE ACT N° 001/2020

Establishes the criteria for requesting the master's dissertation and doctoral thesis defense with the PMDQ-UEL

THE COORDINATION OF THE MASTERS AND DOCTORATE COURSES IN CHEMISTRY OF UEL, in the use of its legal attributions and accordance with CEPE Resolution N°. 025/2016.

ESTABLISHES

Art. 1º Criteria for requesting the defense of the master's dissertation and doctoral thesis of the PMDQ-UEL, which will be presented and defended by the candidate for an examining committee, in public session, as provided in this Normative Instruction

For MASTER'S

§ 1º The candidate must comply with the requirements set out in CEPE Resolution N°. 025/2016 and must submit a Master's defense request to the Course Coordination **45 days** in advance of the defense date with the knowledge of the supervisor and a copy of the proof that the candidate fulfilled the requirements to obtain the master title.

§ 2º The candidate must deliver to the Course Coordination, **30 days** in advance of the defense date, 3 (three) hard copies and 2 (two) digital copies of the dissertation to be forwarded to the members of the Examining Committee, 1 (one) copy to the supervisor, 2 (two) for full members, 2 (two) digital copies for alternate members.

For DOCTORATE

§ 1º The candidate must comply with the requirements set out in CEPE Resolution N°. 025/2016 and must submit a doctorate defense request to the Course Coordination **45 days** in advance of the defense date with the knowledge of the supervisor and a copy of the proof that the candidate fulfilled the requirements to obtain the doctor title. In addition, the candidate must have as technical-scientific production: **an accepted article and a submitted article; or an accepted article and a patent filed, or an accepted article and technical production (products involving licensing of intangible assets with or without registration; products involving the creation of new companies/social organizations with direct job and income generation), or an accepted article and a book or book chapter with ISBN. Articles must present *Qualis Química* in force stratum B3, B2, B1, A2 or A1, or impact factor above 1.00.**

§ 2º The candidate must deliver to the Course Coordination, **30 days** in advance of the defense date, 5 (five) hard copies and 2 (two) digital copies of the thesis to be forwarded to the members of the Examining Committee, 1 (one) copy to the supervisor, 4 (four) for full members, 2 (two) digital copies for alternate members.

Londrina, April 23, 2020

Prof. Dr. César Ricardo Teixeira Tarley

Coordinator of the Master and Doctoral Program in Chemistry at UEL
